

#careandconnect

Let's provide a helping hand to Trinitarians and their friends who have lost their jobs as a result of the economic downturn.

Here are some ways you can be involved:

Submit Job Vacancies

- › Calling business owners and Human Resource Personnel, if you are recruiting, please submit details of job vacancies [here](#).

Conduct InfoTalks

- › Do you have the skills to provide advice in the area of re-employment guidance, financial management, or other areas that may be beneficial? Email connect@trinity.sg about the InfoTalks you can conduct!
