

SERVING IS STEWARDING!

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.

1 Peter 4:10

Here in Trinity, we serve to create a warm Trinitarian experience for all who step into church, for those whom we go to outside of church, and for those who interact with us online.

Whether we are frontstage or backstage, fiddling with machines or interacting with people, all we do is out of a desire to see God's name glorified through the local church as people encounter God and experience life in Trinity.

There are different volunteer opportunities to explore and commit to, where you will be serving at least once a month. All necessary training, briefing and orientation will be provided. We start with your availability and love for the church. At the end of it all we want to facilitate the opportunities that will allow you to flourish in your gifts, skills and talents, bringing glory to God!

HEAR FROM TRINITARIANS WHO SERVE BECAUSE...

When I heard there was a lack of Traffic Marshals, I decided to give it a shot. Sis Christine was my Traffic Marshal IC and she took the opportunity to mentor me. Slowly my team grew and I'm glad that I made new friends along the way. What keeps me going is seeing how Trinitarians are appreciative of our efforts and that all of us are building God's house together"

Joel Foo, Traffic Marshal IC

My serving experience has still been challenging and I find myself outside my comfort zone even now. But it is actually for this reason that I choose to serve because ultimately it's not about my own comfort or preference, but rather giving up my time and effort to serve God, the church, and people.

Daniel Pang , DiscoveryLand Team

HEAR FROM TRINITARIANS WHO SERVE BECAUSE...

I saw the need to allow parents to have their own time to worship during service without distraction, knowing their precious ones are being looked after. What keeps me going - loving the babies, seeing they are all made by God in His image.

Pauline Tan, Nursery Team

Other than picking up new skills, serving has helped me build more relationships with fellow brothers and sisters in Christ. Hearing their testimonies never fail to refresh for me the awesomeness of our God, and the gratefulness of having the Lord in our lives. Everyone is tired, everyone is busy. Yet, we feel refreshed and joyous after serving. That alone, is a reward for serving. Overall, I gained more than I gave when I chose to serve Him, and I am thankful to be given the opportunity!
