LESSON: GOD HELPS HUNGRY ELIJAH

3

POWER WORD

Isaiah 41: 10, “I will strengthen you and help you.”

LESSON SUMMARY

Bible text: 1 Kings 17: 1-6

The children learnt that God uses ravens to feed Elijah. Just as God took care of Elijah's need for food, God will also give us food. God will always take care of our needs.

FOR FAMILY ACTIVITY: FUN WITH FOOD

Prepare small portions of different types of food for your child to eat. For example, apple, cereals, banana, bread, cheese or biscuit. Allow him to pick what he wants. Then talk about the following:

1. Which food do you like best?
2. Who made (apples/ bananas) for us to eat?
3. Who gave Elijah food? (God)
4. What kind of birds brought Elijah food? (Ravens)
5. Where did Elijah get water to drink? (The Brook)
6. God gave Elijah food and God gave us food too.
