## KEY INFO

### **Why fast and pray?**

Fasting and prayer is an intentional abstinence from food to focus on pursuing God through prayer. It stirs up an appetite to know God and be transformed by Him.

### **What is a full fast?**

A “full fast” is a no-food-water-only fast. You can drink only water, sometimes juices if necessary.

### **Must I participate in the full fast to join for Prayer Mountain Retreat?**

We recommend a full fast for this retreat. If you have a medical condition, do seek your doctor’s advice prior.
