

# Watchnight Service 2025

WED, DEC 31

TRINITY PAYA LEBAR

## Info Sheet

**Watchnight Service** is a time on the last day of the year where Trinitarians come together to celebrate God's faithfulness for the year through worship, testimonies, and a recap of the highlights in Trinity Christian Centre. It is also a time our Lead Pastor Gerald Tan will share an exciting message with us and a word that will lead the church into the new year.

**Headset interpretation for Mandarin is available.** All ministries will join together for this special service.

**There will not be any live-streaming,** as we encourage all to be on-site. Nothing compares to being together in one place, celebrating and declaring God's word into the new year.

**Doors to the Sanctuary will open from 8pm.**

**Please help to facilitate a positive experience for one another** by not reserving seats for family/friends who have not physically arrived. Instead, please join the queue once everyone in your group has arrived.
