

The background of the image shows a person from the chest down, wearing a light-colored suit jacket over a light blue button-down shirt. They are holding an open book, and their hands are visible at the bottom left. In the foreground on the right, there are several green leaves with water droplets on them, some showing signs of insect damage. The overall lighting is warm and soft, suggesting an indoor setting with natural light.

THROUGH PAIN

Suffering from severe stomach and hip pains that doctors were unable to diagnose, Yu Xuan could only eat simple bland foods to minimize the discomfort. This took a toll on her and her family's lifestyle, including her love for dance. She started to feel distant from God and was affected socially, emotionally and spiritually.
