An aerial photograph of a rural landscape. On the left, a steep hillside is covered in dense, lush green forest. The middle ground features terraced agricultural fields, some of which are planted with crops, and a small cluster of buildings. In the background, a valley opens up, showing more fields and a small village with several houses. The sky is a pale, hazy blue, suggesting a clear day with some atmospheric haze. The overall scene depicts a peaceful, rural setting.

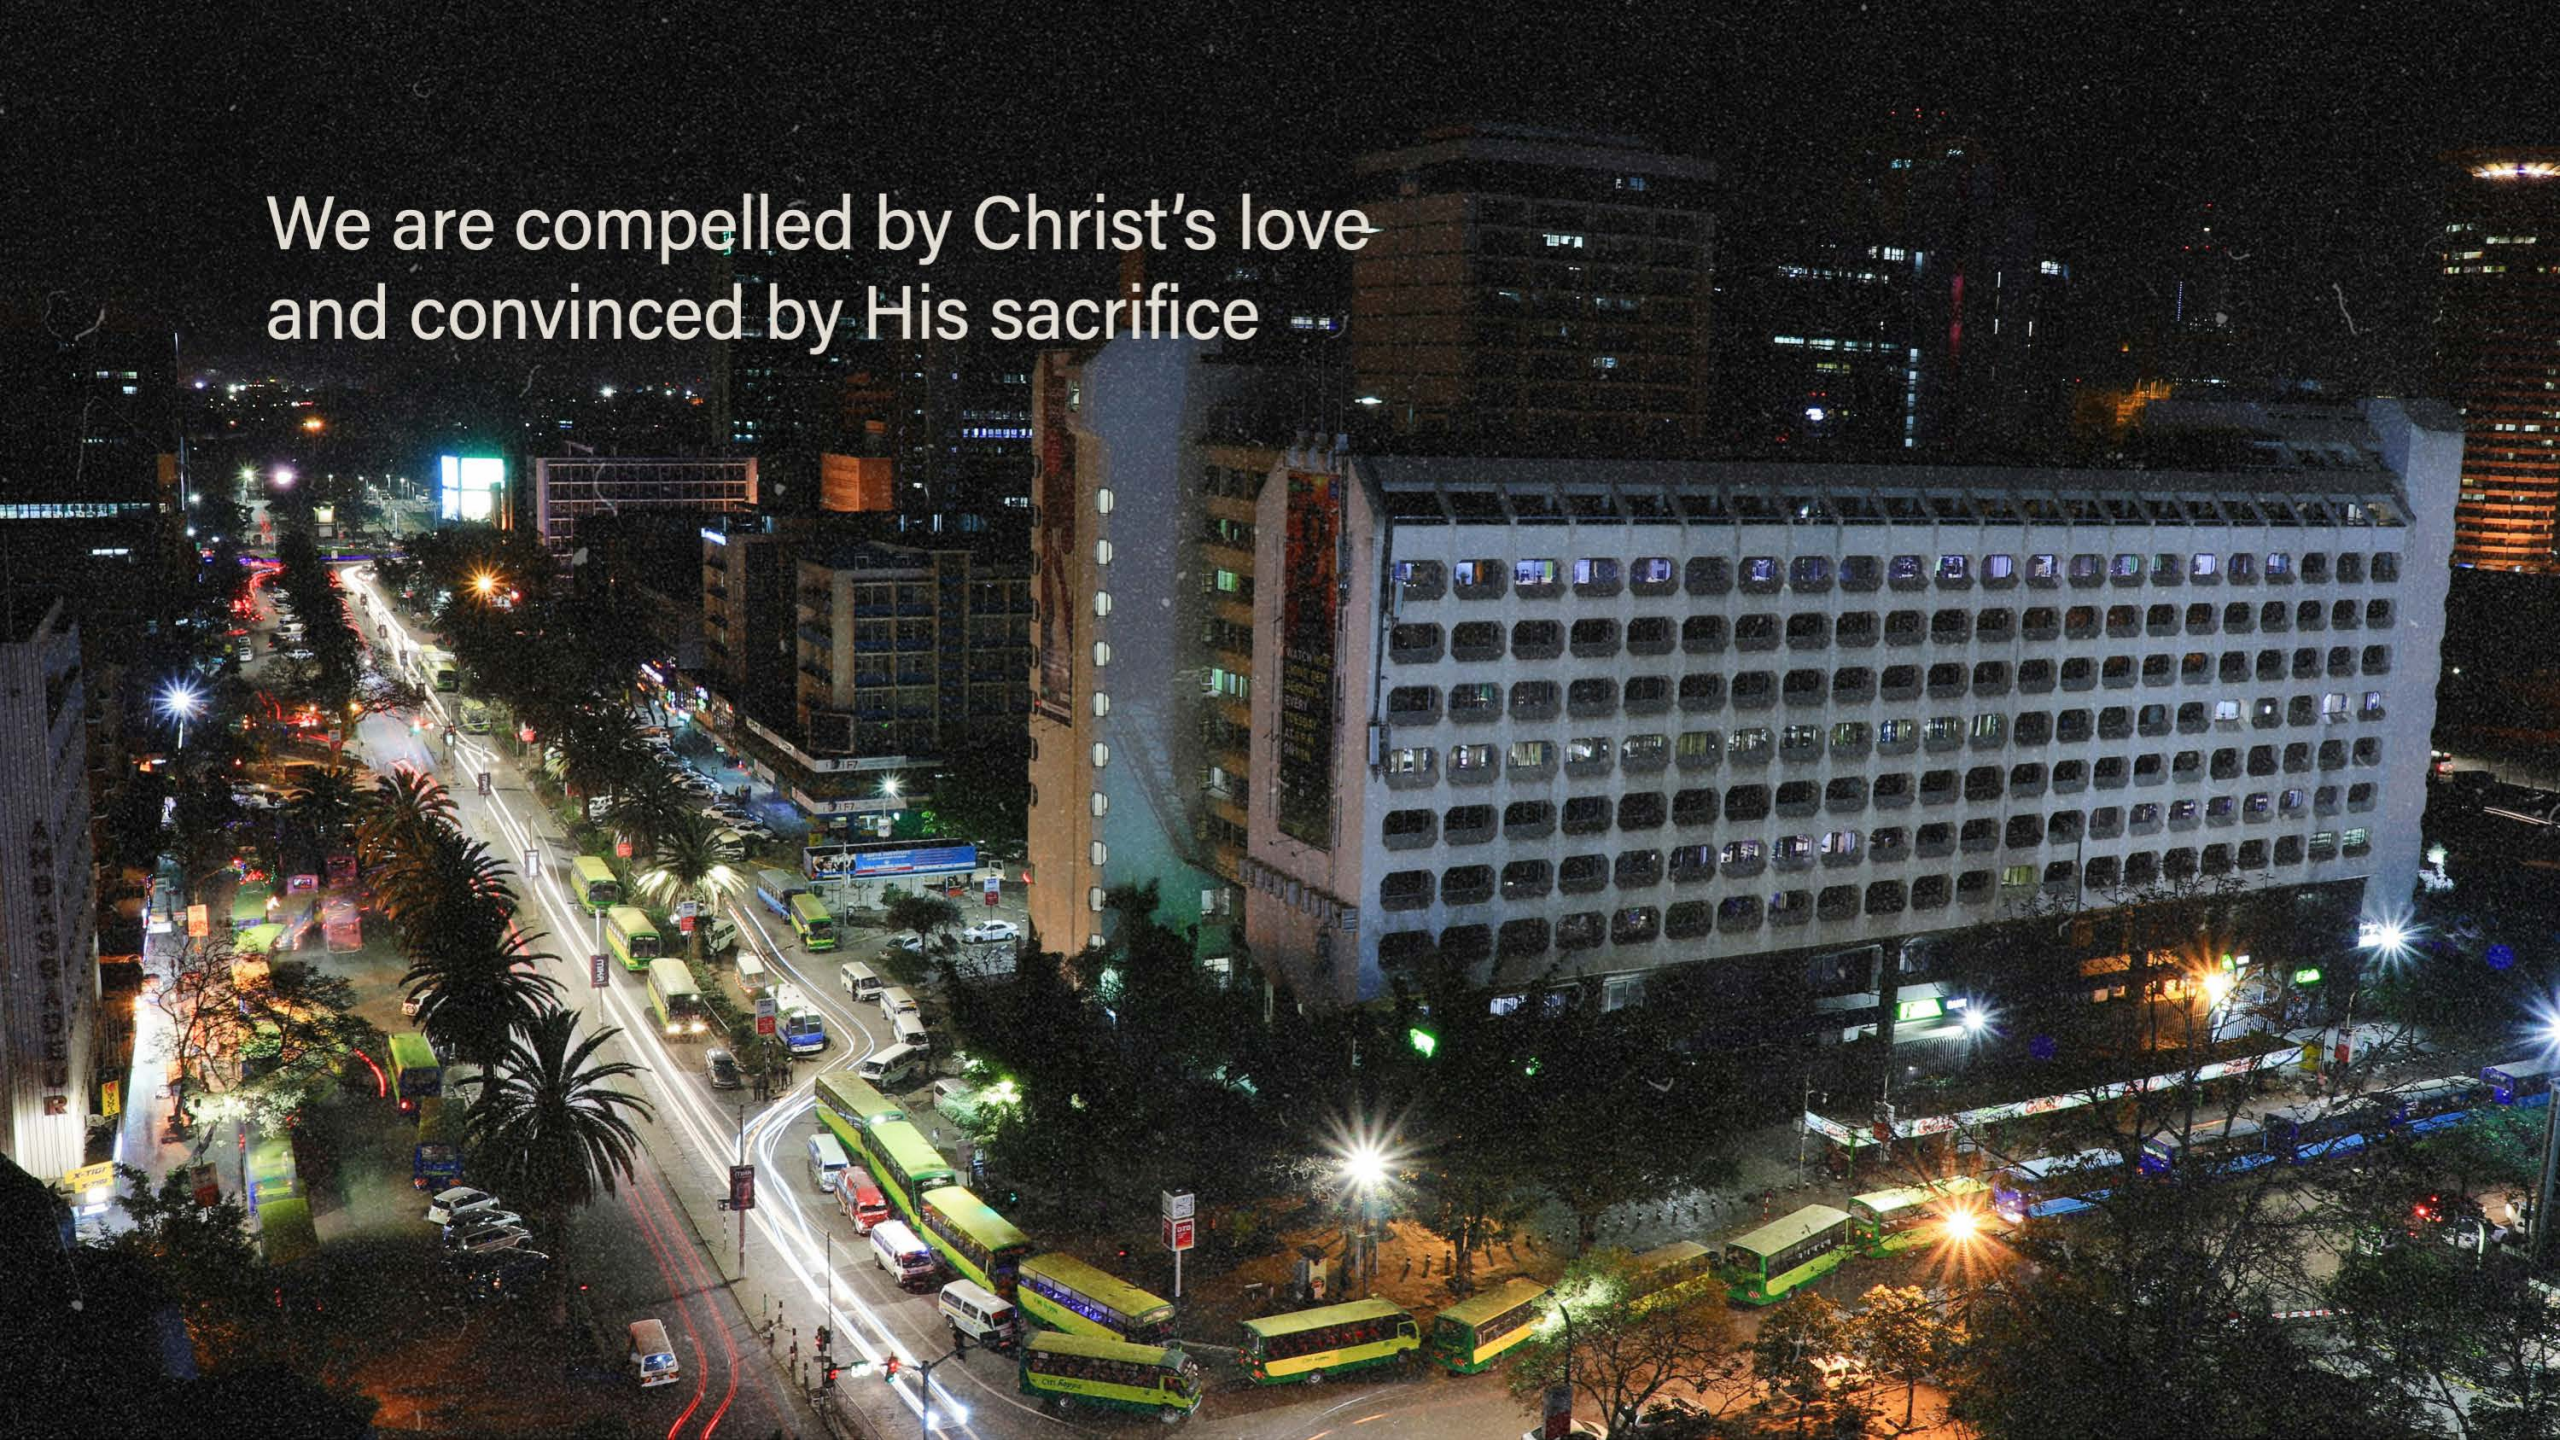

*The blessing of God's covenant in our lives empowers us to be a blessing in our nation and to the nations*

A large, jagged iceberg with a blue-tinged surface floats in dark, calm water. The sky is overcast with grey clouds. In the background, snow-covered mountains are visible. The overall mood is somber and majestic.

A world map silhouette is overlaid on a lush green wall. The wall is covered in various plants, including green leafy plants and red-leafed plants. The map is a light gray color and shows the continents of North America, South America, Europe, Africa, Asia, and Australia. The text is centered over the map.

*When we have experienced God's love,  
we are compelled to be His  
ambassadors to the world we are in!*
