

An aerial photograph of a circular well with a concrete rim, surrounded by lush green vegetation and a dirt path. The well's water is dark and still, reflecting the sky. The surrounding area is filled with various plants, including large green leaves and smaller ground cover. A dirt path leads towards the well from the bottom left. The text 'RE-DIGGING' is in pink, and 'The Wells of Revival' is in white, both centered over the well.

**RE-DIGGING**  
The Wells  
of Revival

A rustic outdoor scene featuring a stone well in the foreground, a lantern hanging from a tree in the middle ground, and a bucket hanging from a tree on the right. The background is a dense forest with a large tree trunk and a brown, textured wall. The text "Genesis 26:17-25" is overlaid in white, serif font.

Genesis 26:17-25

A stone well in a forest. The well is made of stacked stones. On the edge of the well sits a small metal cup. To the right of the well is a lantern with a glass chimney and a metal frame. Further right, a metal bucket hangs from a chain. The background is a dense forest with a tree trunk and a wall with a circular opening.

Sojourning (temporary stay)

Lodging Place

An aerial photograph of a circular well with a concrete rim, surrounded by lush green vegetation and a dirt path. The well's water is dark and still, reflecting the sky. The text 'RE-DIGGING' is in pink, 'The Wells' is in white, and 'of Revival' is in white. The text 'v17-19' is in pink and positioned below the main title.

**RE-DIGGING**  
The Wells  
of Revival

v17-19

An aerial photograph of a circular pond in a garden. The pond is dark and reflects the surrounding trees and sky. The pond is surrounded by lush greenery, including various plants and trees. A stone path leads to the pond on the left side. The text "Remembering what God has done" is overlaid in the center of the pond in white font.

Remembering what  
God has done

A top-down view of a circular well with dark water. The well is surrounded by lush green plants and a stone path leading down to it. The text is overlaid on the water.

*As we re-dig the  
wells of revival,  
we will also find  
the new wells of  
fresh anointing*

**OVERCOMING**  
The Enemies  
of Our Souls

v20-22

***Philistines***  
the place of  
confrontation

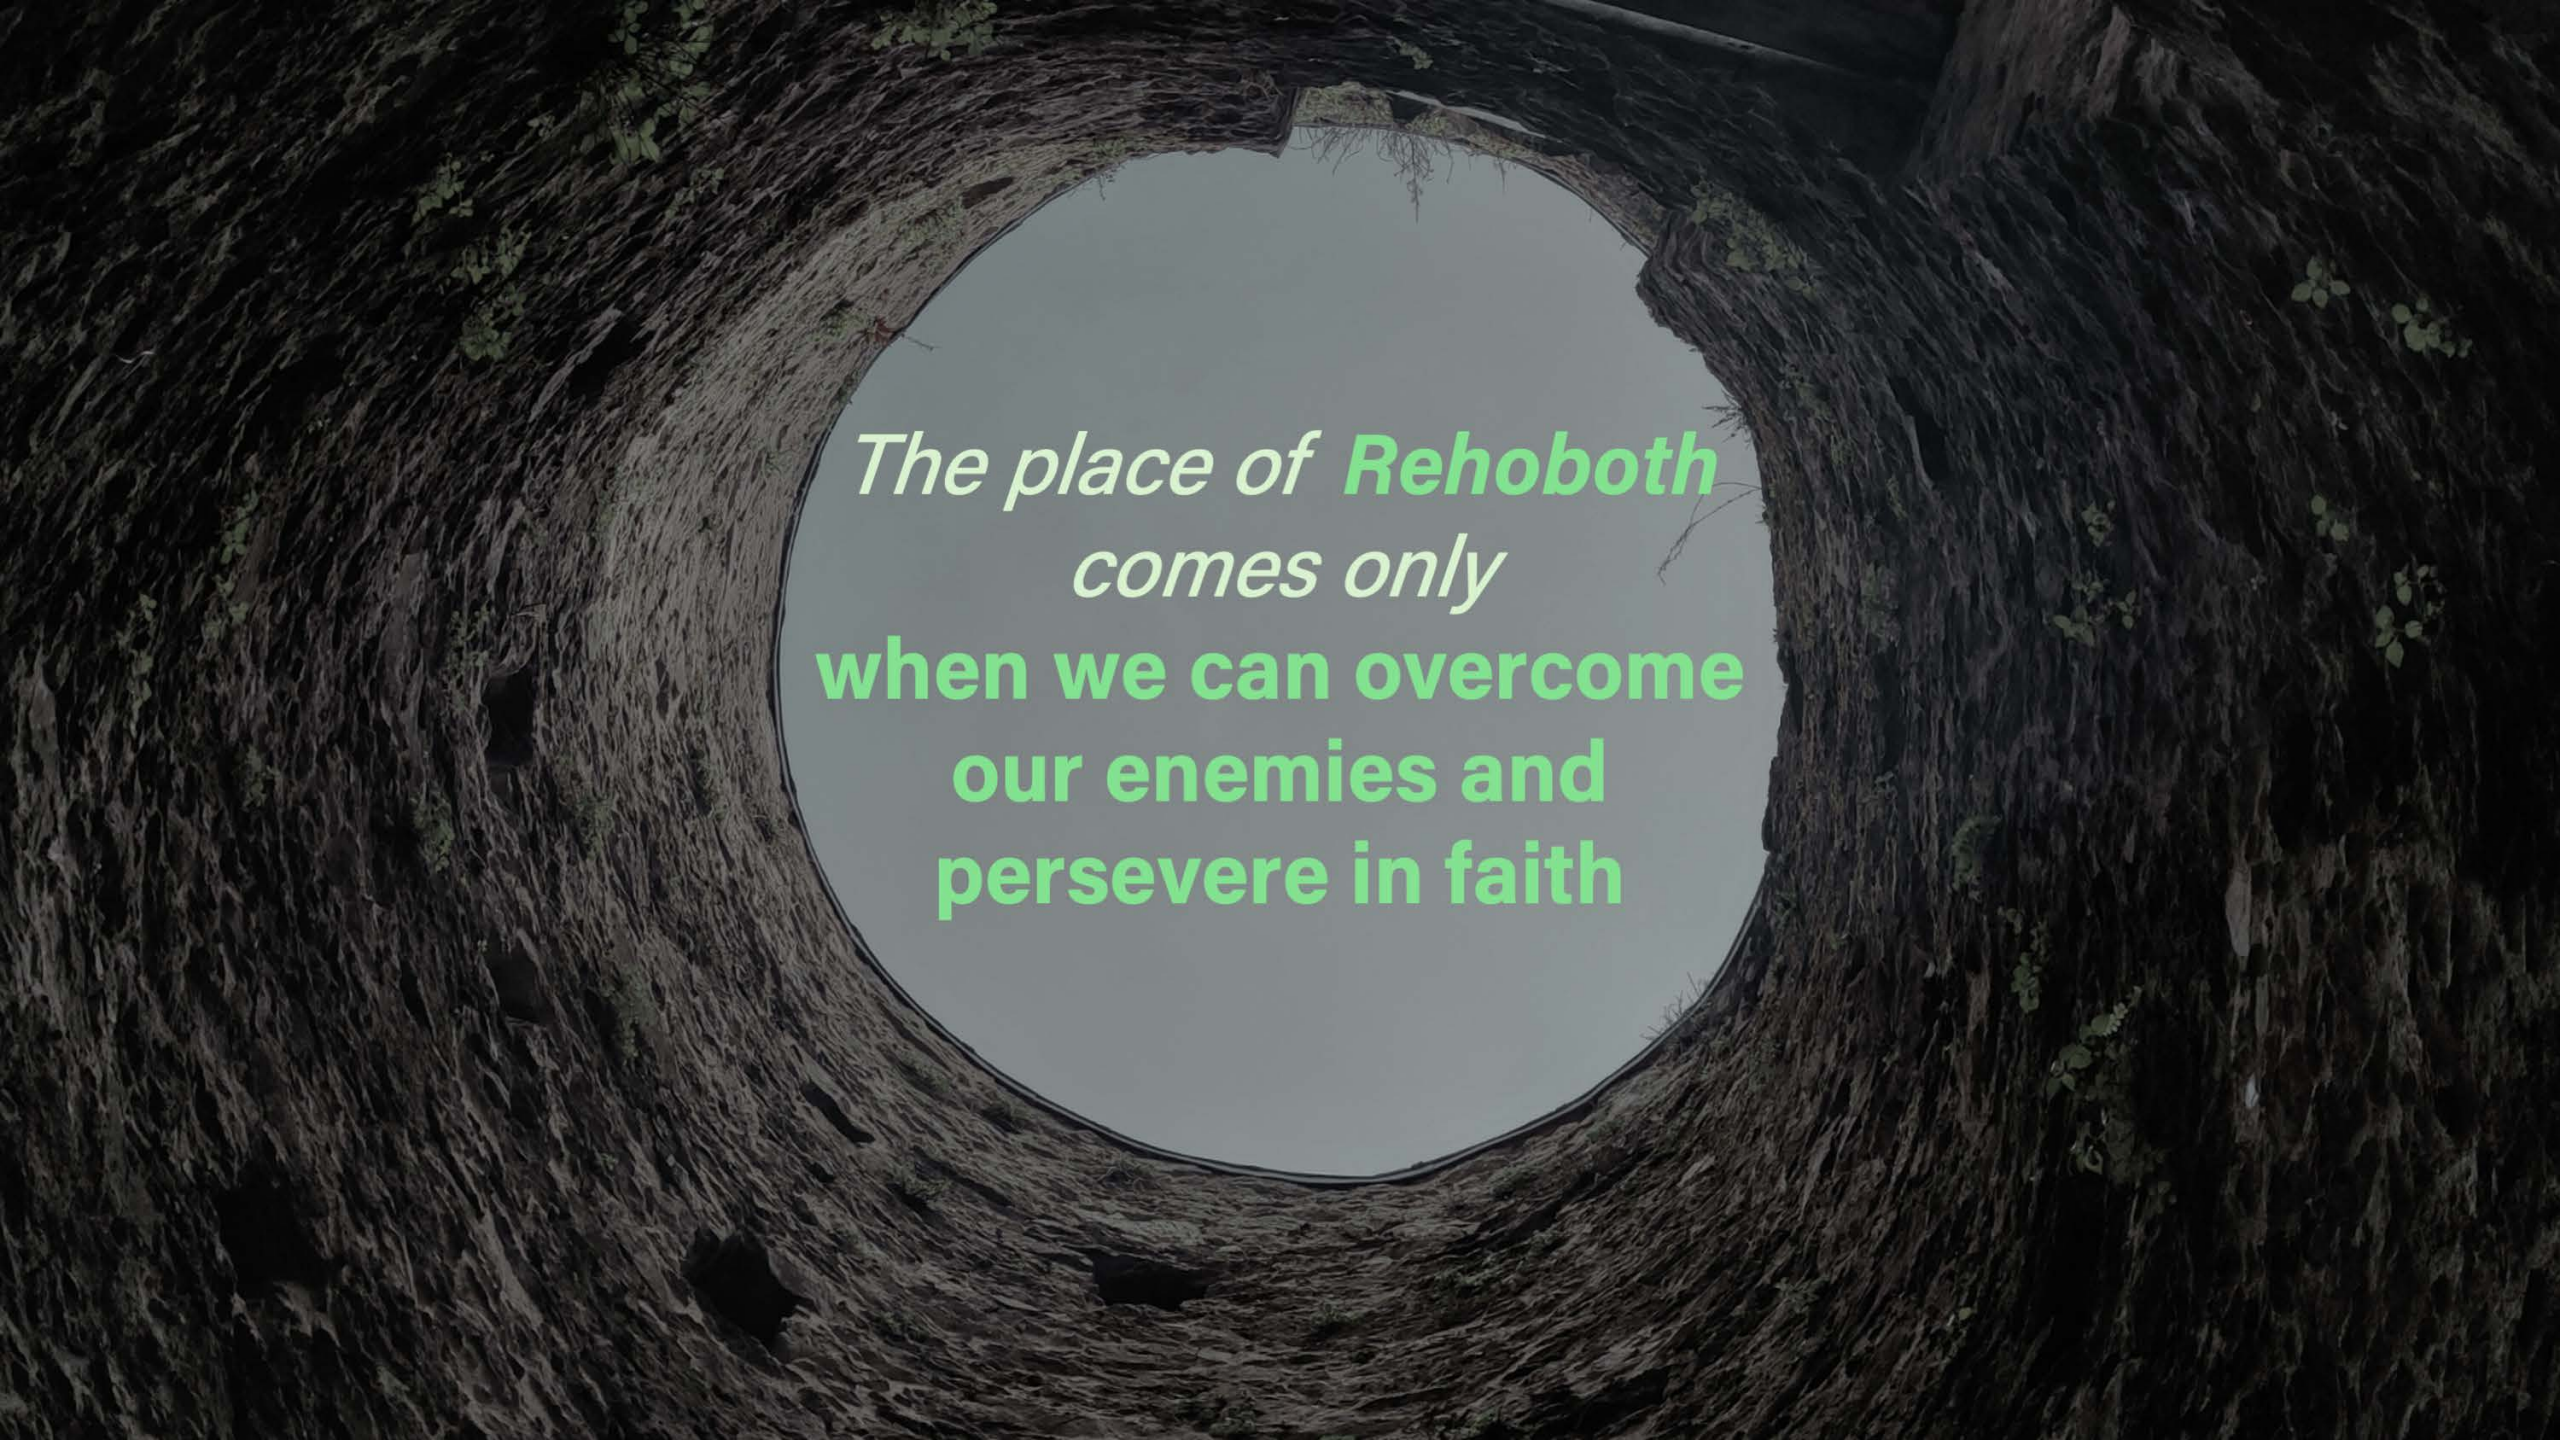

***Esek***  
the place of  
contention

***Sitnah***  
the place of  
conflict

A circular opening in a thatched roof, looking out onto a bright sky. The thatch is dark and textured, with some small green plants growing along the edges. The sky is a uniform, bright white color.

*Rehoboth*  
broad places/room

A circular opening in a thatched roof, looking out onto a bright sky. The thatch is dark and textured, with some small green plants growing along the edges. The sky is a uniform, bright light color.

*The place of **Rehoboth**  
comes only  
when we can overcome  
our enemies and  
persevere in faith*

# ENCOUNTERING GOD

v23-25

## God always wants to encounter us

- Renew His promises
- Fulfill His covenant

## But we must be ready to encounter God

- Obedient to His call
- Ready to respond
- Willing to be interrupted

A well with a wooden frame and a stone-lined opening, set in a natural, wooded environment. The well is constructed from stacked stones and has a wooden frame around the top. The background shows a dirt path and trees.

**We have to re-dig  
the wells of revival**

so that the future generations may enjoy  
the legacy of faith God has called us into
