

A dramatic landscape featuring a rainbow arching over a mountain range. The sky is filled with dark, heavy clouds, and the rainbow's colors are visible through the breaks in the clouds. The mountains in the foreground are rugged and appear to be covered in dry, golden-brown vegetation. On the right side of the image, there is a vertical strip showing a body of water with ripples and reflections of light.

SEEING WITH NATURAL EYES

NUMBERS 13:25-33

Recognizes the impossibilities

SPIRITUAL VISION

Builds faith

Stands upon God's promise

Embraces the possibilities

The background image is a composite of two contrasting desert landscapes. The upper portion shows a vast, arid desert with rolling sand dunes and rugged, brown mountains under a clear sky. The lower portion shows a lush, green valley filled with a dense forest of palm trees. In the middle ground, a small town with buildings is visible, partially obscured by the palm trees and the blue pyramid overlay. A large, semi-transparent blue pyramid is centered in the image, pointing downwards. It serves as a backdrop for the text.

When we see with natural eyes

- Objective reality becomes subjective opinions
- Our challenges are enlarged
- We belittle ourselves, and our God
- We destroy the faith of others

*To be established for life, our objective reality must
be seen through eyes of faith, and a spirit of boldness*

RESPONDING IN THE FLESH

NUMBERS 20:8-13

The banks are covered in dense green grass and some small yellow flowers are visible in the foreground. The overall atmosphere is peaceful and natural.

Moses heard the command of the Lord,
but responded in the flesh

- Grief
- Fatigue
- Anger
- Familiarity - Exodus 17:5-7

Responding in the flesh:

- Demonstration of our lack of trust in God
- Not treating God as holy in the sight of others
- Causes us to miss God's destiny in our lives

A scenic view of a river flowing through a lush green landscape. The river is surrounded by dense green grass and foliage. A large, dark rock is visible in the foreground, partially submerged in the water. The water is clear and reflects the surrounding greenery. The overall atmosphere is peaceful and natural.

To be established for life, we must be aware of the dangers that cause us to respond in the flesh, and to honor God in all we do
