MONEY, NO PROBLEM

PART ONE

**CHOOSE GOD AS YOUR MASTER
TRUST GOD AS YOUR PROVIDER
CHOOSE WISE LIVING**

MEMORY VERSE

¹⁹ "Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. ²⁰ But store up for yourselves treasures in heaven, where neither moth nor rust destroys, and where thieves do not break in or steal; ²¹ for where your treasure is, there your heart will be also.

PM Lawrence Wong aims for society that 'allows space for U-turns, experimentation and outliers'

channelnewsasia.com/singapore/pm-lawrence-wong-success-definition-4428761

He recalled the 5Cs - cash, car, credit card, condo, country club - that success was perceived to be in the past.

Such a **narrow definition of success** can lead to negative consequences, he added, as society becomes more frenetic and competition more toxic as people seek to outdo each other.

It results in Singaporeans becoming **more anxious and stressed**, and **passing it on to their children**.

This, he said, is not the society that he wants Singapore to become and certainly not one that he hopes future generations grow up in.

"I want to see a Singapore where every Singaporean matters, where **everyone is valued for who he or she is**. One where we can all strive to be the best possible versions of ourselves. One where our success is defined by how we help each other to do well collectively," he said.

Unpaid credit card balances in Singapore hit 10-year high of S\$9.07b

Experts attributed the trend to factors like people not spending within their means, as well as easier access to credit like “buy now, pay later” services.
